PLEASE PUBLISH THE FOLLOWING VACANCY:

Watersmeet Township School District
Seeking
Highly Qualified High School Science Instructor

The Watersmeet Township School District is accepting applications for a 7th-12th grade Science Instructor (Biology, Chemistry, Physics, Physical Science, Environmental Science, Science 7 and 8). The applicant must be certified and highly qualified in the State of Michigan for this position.

This instructor is expected to be able to utilize a variety of teaching strategies and learning tools to assist a variety of learners conceptualize, understand, and utilize science concepts that can be extremely challenging. To do this, the science teacher must have excellent classroom management skills and be able to command the attention of their students while utilizing an inquiry approach in teaching their students. Evidence of this is provided in the developed lesson plans, homework assignments, assessment tools and maintaining appropriate records of student performance. The teacher will be required to meet with parents from a diverse student population and should be culturally sensitive in their communication and instructional methods.

If you are interested in this rewarding opportunity, please direct inquiries that include your cover letter; resume; three (3) recent (within one year) letters of reference; and a statement (no more than one page) that includes your teaching philosophy and style of teaching to:
