

IMPORTANT!!! Bus Drivers needed ASAP!!!

\$35.00 per hour

Our bus company, Schilleman's Bus Service, just informed us that due to a bus driver shortage, if the Watersmeet Township School District wants to continue to have bus service, we need to provide bus drivers for the 2022-2023 school year. If we are unable to find people willing to become bus drivers, the Watersmeet Township School District will not be able to provide bussing for our students.

The Watersmeet Township School District understands that families rely on bus services, and it is our hope that you can help us find bus drivers so that our students can continue to have transportation to and from school and sporting events.

If you or anyone you may know is interested in becoming a bus driver, please contact the Watersmeet Township School District as soon as possible at (906) 358-4504, ext. 301.
